Fairhope, AL 36532

Dear Mr. Haven:

The Florida State Boxing Commission has received the application for approval to ~~sanction and supervise amateur boxing and kickboxing as an amateur sanctioning~~ organization in Florida pursuant to Chapter 548, Florida Statutes, and 61K1-1.0031, Florida Administrative Code.

As a condition of approval, you agree to enforce the health and safety standards under the **USA Boxing** standards as of May 2005 and the **ISKA** standards as of June 1, 2004, and the conditions set forth in the Application for Approval: Amateur Sanctioning Organization. In order to facilitate inquiries from the public concerning the approval status of amateur kickboxing events, we ask that the Commission be notified prior to each event via facsimile at 850.922.2249 or by email at Florida.Boxing@dbpr.state.fl.us no later than one week prior to the event.

Finally, I would like to remind you of the biennial compliance check requirement as set forth in the Stacy Young Act. A commission representative may be appointed by the executive director in order to verify supervision, sanctioning, and enforcement of the health and safety standards by the approved amateur sanctioning organization at amateur boxing and kickboxing events.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Thomas Molloy  
Executive Director
